

# NO SMOKING POLICY

Children's health and well-being is of the utmost importance for us at Spring Nursery. Smoking has proved to be a health risk and therefore in accordance with legislation, Spring Nursery operates a strict no smoking policy within its buildings and grounds. It is illegal to smoke in enclosed places.

You are legally required to abstain from smoking whilst on the premises. This rule also applies to staff, students, parents, carers, visitors, contractors etc.

Staff accompanying children outside the nursery are not permitted to smoke. We also request that parents accompanying nursery children on outings refrain from smoking whilst caring for the children.
